

## Dental Insurance

We at Almadillo Farms Family Dentistry, are proud to be a part of a team whose primary mission is to deliver the finest and most comprehensive dental care services today. In order to assist you with your health care investment, we are providing the following information so that you may better understand your dental insurance. Dental insurance is complex and confusing for all of us. We do not want miscommunication about insurance coverage and finances to come between our relationship.

1. We would like to highlight a misconception: **dental insurance is not designed to pay for all of your dental care**. Most contracts have yearly limits, treatment limitations and/or various degrees of “co- payments”.

\_\_\_\_\_ Initial

2. The treatment recommended by our practice is never based on what your insurance company will pay, as your oral health care and accompanying treatment should not be governed by your insurance company contract.

\_\_\_\_\_ Initial

3. Our first and only priority is our patients and the quality of care. The negotiation of benefits is between you, your employer and insurance company.

\_\_\_\_\_ Initial

4. Deductibles, co-payments and non-covered amounts are due at the time services are rendered. All estimates quoted are based upon information provided to us by your insurance company and are **estimates only** they are not a guarantee of payment.

\_\_\_\_\_ Initial

5. The patient is ultimately responsible for all charges incurred. You understand that it is not our responsibility to determine your current insurance eligibility. If your insurance has been cancelled, terminates during treatment, you no longer have coverage, your employer has changed or you lose insurance coverage for any reason- you will be financially responsible for the **standard** office fees of all treatment provided.

\_\_\_\_\_ Initial

6. We hope this information has been helpful. Please take the time to review your insurance policy's nuances thoroughly so that we may best serve you. As always, you may feel free to ask any member of our staff for clarification on services, billing and insurance.

I have read the above and understand and agree to these terms.
